GUARANTEE

We guarantee to do everything in our power to satisfy our customers. We guarantee our bulbs to be clean, free from disease and insects. Claims and complaints in regard to bulbs should be sent to us soon after receiving the bulbs. If blooms are not true to name, of course, you can make claims for that only at time of blooming. If this should occur we will make every effort to reach a satisfactory settlement with you, our customer.

Our business has been built on satisfied customers and we want to continue to merit your satisfaction.

The bulbs you harvest, we are unable to guarantee. Unsatisfactory growing conditions or disease in your soil are beyond our control.

BULB SIZES — The retail list contains three sizes —

Large, 1 1/4 inch up Medium, 3/4 inch - 1 1/4 inch Small, 3/8 inch - 3/4 inch

Large size bulbs give the largest bloom. However, medium sized bulbs will give excellent spikes about 75% as large. Most small bulbs will bloom and at the same time grow fine bulbs for the following year.

UNLABELLED COLLECTIONS AT PREPAID PRICES

Long famous for the excellence of our mixtures, we are proud of the unlabeled assortments offered this year at truly amazing savings. All bulbs are clean and healthy, ready to give you fine flower spikes. All assortments are graded by size. If you want large bulbs, buy that size — 1 1/4 inches or larger; if medium bulbs are satisfactory, pay only for medium sized bulbs.
